Cultivating a Community of Attachment: Relationship Matters

We put a high premium on social responsibility in our children but often lack an understanding of how best to develop values. Raising caring and considerate individuals who realize their full potential requires special conditions. Based on the developmental and relational work of Dr. Gordon Neufeld, Guelph's own Susan Dafoe-Abbey, Registered Marriage and Family Therapist and Authorized Neufeld Presenter and Practitioner, will address how cultivating the six roots of attachment sets the stage for caring multi-generational communities. She will also describe how adults can harness the power of attachment to make their lives with children easier and more effective. Parents, grandparents, step-parents, foster parents, caregivers, teachers, community leaders and all those interested in this timely topic are invited to: Cultivating a Community of Attachment: Relationship Matters on
