It's IN you to Give!

Between today and September 11th, the Guelph Blood Donor Clinic needs another 1,200 people to book appointments to donate. If you are eligible to donate please consider assisting the Clinic in meeting the needs of patients in local hospitals. The situation is the same across the country.

Canadian Blood Services expects that over the coming weeks more blood will be shipped to hospitals than current donor appointments will provide. This, in turn, will put a strain on reserves. Between now and September 11 Canadian Blood Services needs to collect 137,200 units of blood to meet hospital demand nationally. However, Canadian Blood Services is already 10,000 donation appointments short of where we should be and that gap could increase as the summer progresses.

Anyone able to donate is encouraged to call 1 888 2 DONATE to book an appointment. Walk-ins are also welcome. Thank you for your support. St. Andrew's is a Partner for Life with the Guelph Blood Donor Clinic.

Canadian Government to Match Pakistan Flood Donations

In response to the devastating destruction caused by Pakistan's floods, the Canadian Government will be matching donations made by individual Canadians to registered Canadian charitable organizations – including PWS&D – for flood relief efforts from August 2 until September 12, 2010.

“The Government of Canada will use the Pakistan Floods Relief Fund to provide assistance through experienced Canadian and international humanitarian and development organizations with significant in-country capacity, as per established channels and procedures” (CIDA press release). As such, your financial support at this time will make twice as many funds available for the affected families in Pakistan.

Your donation to PWS&D will support the distribution of food, shelter, emergency supplies and medical care for over 150,000 of the most affected people in the provinces of Balochistan, Sindh and Khyber Pakhtunkhwa (North West Frontier Province and Swat Valley).

Congregations can send PWS&D one cheque for the sum of all the donations they have collected for Pakistan flood relief, along with a letter identifying the names and amounts of the individual donations that make up the total. This will ensure these funds are eligible for matching in the Pakistan Floods Relief Fund.

You Can Help

The people of Pakistan need your prayers and financial support to recover and rebuild from this disaster. You can make a donation to PWS&D by calling 1-800-619-7301 ext. 291, donating online, through your church or mailing a cheque to the office. Please mark all donations “Pakistan Flood Relief.”
