Mission Capsules: Justice Ministries – Accessible Medicine

Our gifts to *Presbyterians Sharing ...* help bring the voices of the poor to the ears of the powerful. The report of the International Affairs Committee to the General Assembly, June 2006, detailed many of the obstacles to making necessary medicine for HIV/AIDS and other diseases accessible to the poor. Several letters to the Prime Minister and other responsible Cabinet ministers were sent advocating changes to assure that all who need medicines will be able to receive them at reasonable cost. These letters are posted on the church web site.
