TIPS from your Environment Committee:

The easiest way to save natural resources is to **NOT** use them (obvious!).

- **Refuse BAGS** whenever possible. Take your own bags for shopping.

The Congregational Life Committee invite you to come out to the **movies on December 14th** (time yet to be determined) to watch the newly released movie "The Nativity Story" playing at the Galaxy Theatre (and have a coffee afterwards). We'll meet in the lobby and people can purchase their own tickets. Watch for more information.
