### **ST. ANDREW'S CHURCH ARCHIVES**

If you have minute books, treasurers' reports, pictures, histories of any of our church organizations, please consider donating them to our church archives. Photographs can be copied and returned if you would like them back.

We are especially short of materials during Dr. McMillan's and Dr. Thomson's time with us, including Sunday Service Bulletins, especially 1972 – 1976. Please contact Bill McKinnie (519-836-9006) if you have any questions or would like to visit our archives.

Thank you for your help, Bill McKinnie
